

Subpart C—Certification

§ 126.300 How may a concern be certified as a qualified HUBZone SBC and what information will SBA consider?

A concern must apply to SBA for certification. SBA will consider the information provided by the concern in order to determine whether the concern qualifies. SBA, in its discretion, may rely solely upon the information submitted to establish eligibility, may request additional information, or may verify the information before making a determination. SBA may draw an adverse inference and deny the certification where a concern fails to cooperate with SBA or submit information requested by SBA. If SBA determines that the concern is a qualified HUBZone SBC, it will issue a certification to that effect and add the concern to the List.

§ 126.301 Is there any other way for a concern to obtain certification?

No. SBA certification is the only way to qualify for HUBZone program status.

§ 126.302 When may a concern apply for certification?

A concern may apply to SBA and submit the required information whenever it can represent that it meets the eligibility requirements, subject to § 126.309. All representations and supporting information contained in the application must be complete and accurate as of the date of submission. The application must be signed by an officer of the concern who is authorized to represent the concern.

§ 126.303 Where must a concern submit its application and certification?

A concern seeking certification as a HUBZone SBC must submit either an electronic application to SBA via <https://eweb1.sba.gov/hubzone/internet/> or a written application to the D/HUB, U.S. Small Business Administration, 409 3rd Street, SW., Washington, DC 20416. Certification pages must be validated electronically or signed by a per-

§ 126.304 What must a concern submit to SBA?

(a) To be certified by SBA as a qualified HUBZone SBC, a concern must submit a completed application and represent to SBA that it meets the requirements set forth in § 126.200. After submitting the application, applicants must notify SBA of any material changes that could affect its eligibility. The concern must also submit any additional information required by SBA.

(b) Concerns applying for HUBZone status based on a location within the external boundaries of an Indian reservation must use SBA's maps (located at <https://eweb1.sba.gov/hubzone/internet/>) to verify that the location is within the external boundaries of an Indian reservation. If, however, SBA's maps indicate that the location is not within the external boundaries of an Indian reservation and the concern disagrees, then the concern must submit official documentation from the appropriate Bureau of Indian Affairs (BIA) Land Titles and Records Office with jurisdiction over the concern's area, confirming that it is located within the external boundaries of an Indian reservation. BIA lists the Land Titles and Records Offices and their jurisdiction in 25 CFR 150.4 and 150.5.

(c) Concerns applying for HUBZone status based on a location within a qualified base closure area must use SBA's List of Qualified Base Closure Areas (located at <http://www.sba.gov/hubzone>) to verify that the location is within a qualified base closure area. If a concern disagrees with the failure of SBA's List of Qualified Base Closure Areas to include a particular area as a qualified base closure area, then the concern must submit relevant documentation from the Department of Defense, Office of Economic Adjustment, or the military department responsible for closing that installation.

(d) If the concern was decertified for failure to notify SBA of a material change affecting its eligibility pursuant to § 126.501, it must include with its
